

***Veterans of Foreign Wars
Department of WI
National Scholarships – March 2026***

As this report comes out, we have just concluded awards to our essay winners at Mid-Winter. Now you all should be collecting pieces of art from area youth for the 3-dimensional art and Young American Creative Art. The deadline is March 31st to have them at your auxiliary.

As our year is winding down, remember to get your year end reports sent in by April 1st. The auxiliary who participates the most with their post in promoting this program will receive an award at convention. Voice of Democracy and Patriot Pen participation awards are closed but you still have time to win one for art.

If you have any questions, I am available, call, text or email.

“From Sea to Shining Sea, Honoring Veterans who Keep us Free” as “We Rise by Lifting Others”.
