MY EXPECTATION FOR YOUR AUXILIARY:

- ***REPORT WHAT YOU DO!***
- Respect national holidays and participate in local activities
- Be involved in your community's activities, wear your auxiliary "colors" with pride

INSTRUCTION:

- Flag of our United States: Educate and respect Old Glory
- Use *more than acronyms* to show our respect: POW = Prisoner of War,
MIA = Missing in Action, KIA: Killed in Action
- #AUXTRIBE: More to come in August communication!

A faded, semi-transparent American flag is centered in the background of the slide. The stars and stripes are visible but light, serving as a backdrop for the text.

AWARDS:

- \$10 Award to auxiliary with most unique Americanism involvement
- \$10 Award to auxiliary with outstanding community involvement proving VFW Auxiliary acronyms are “more than letters”

End of Year Reports for Americanism/Patriotic Instruction:

- Be proud of what you do and report with detail
- This is your opportunity to share new ideas
- Must be in the possession of your District President before APRIL 1st so I can turn in my report to President Sherrie in time

Use the tools
on the three websites and it will make things simpler

Have fun while you make
Americanism and Patriotic Instruction a part of every
day – I am eager to hear from you
all through the year!
