

**2024-2025 VFWA
Americanism Report
February Report for
General Orders**

At the VFW Auxiliary, EVERY day is VETERANS DAY!

Going to mix things up a bit: If you read and retained messages from my earlier reports you will do juuuust fine on this little quiz:

By passing our patriotism on to the next generations we instill (what) while honoring Patriots and our Country.

May 1 reaffirms our loyalty to the United States and recognizes the heritage of American freedom. What is the name of that patriotic holiday?

What have I asked you to do since July?

It is officially “school sport season” so be sure to sing (what) LOUD AND PROUD at all the games you attend!

Constitution Day and Citizenship Day is September 17. On this day in 1787 (what happened)?

Get out to (where) to educate; show your patriotism and how much you value your freedom by representing our great organization!

Please text email or snail mail your answers to me – we will have a drawing from all entries at our Dept Mid-Winter, February 14-15 in Oshkosh

Thank you for all you do for our veterans,
and for promoting Americanism every day!
