

This year, the VFW has asked its Auxiliary to assist them in promoting the "TEACHER of the YEAR" Program. Once I get the information from my VFW partner I will share it with you.

What can you do now? Talk to your family members and friends, ask about the teachers at their schools. Get involved in your scholastic community and show the VFW we stand with them in this very worthy program!

P A T R I O T I S M

AWARDS to be earned by an Auxiliary for the following:

"How many American or MIA/POW Flags did your Auxiliary present or distribute"

"How your Auxiliary promoted, participated in and/or recognized any patriotic days and/or branch of service birthdays."

"Certificates or citations presented to schools, citizens or businesses in your community recognizing their displaying of the US, POW/MIA flags or other displays of American pride"

"How many events did your Auxiliary educate others to honor and respect the American Flag"

IF National says your Auxiliary does not have to participate in ALL programs, *please send in your Auxiliary's Americanism End of Year Report. I KNOW everyone does SOMETHING to promote Patriotism In America!* As soon as the End of Year Reports are available on our website I will let you know via an email to all District Americanism Chairpersons or District Presidents.

Let me know in April what you did all year and you could win awards!
