Remember this is our time to volunteer at the National Home and find out firsthand how the National Home supports our service members, veterans and their families!

The morning of Oct 24th will start with the annual meeting and then a tour of the VFW National Home community. There is a new commander at the National Home, we may get to meet at the meeting. Hopefully we will have an update on any new programs or homes being built to reach their goal of 50 homes. Come dressed for cool or hot weather for the tour outside. Plan to find your brick on the sidewalk, tour the museum and visit the store for the latest Swag!

We will host the Fall Festival this year and Missouri will be there also to help. We will plan on 75 children at the festival. We will serve the meal and set up and run the games and hand out prizes! Plan to come and have Fun!!!

Come with us on the bus ride and stay for the fun at the National Home Fall Festival!

See You There!
