

**Honoring the Past, Empowering the Future
We need YOUR help to keep Lillian's legacy alive!**

“Lillian Campbell Medical Scholarship”

For years, the Lillian Campbell Medical Scholarship Program has been a lifeline for aspiring medical students, helping them pursue their dreams of serving others through medicine.

Now, **this vital scholarship is in urgent need of funding** — and we're turning to our incredible WI Auxiliaries and friends to come together and ensure Lillian's light continues to shine for generations to come.

** Why It Matters: “WE RISE BY LIFTING OTHERS”**

Lillian Campbell dedicated her life to the service of others. Through this scholarship, her compassion lives on in every student who receives support, every patient those students will someday heal, and every life they touch.

But without your donations, **we risk losing this opportunity to support future doctors and caregivers** who are counting on us.

** How You Can Help:**

- **Make a Donation** – Every dollar makes a difference
- **Spread the Word** – Share this message with your fellow Auxiliaries and friends
- **Honor Lillian's Legacy** – Ensure her spirit of service lives on

** Let's make October a month of giving and hope.**

 Give from the heart. Support the future of medicine.

 Please help us expand the impact of the Lillian Campbell Medical Scholarship. Your donations allow us to assist more students pursuing careers in the medical field.

Mail Donations (Earmarked LCMS)
