

VETERANS OF FOREIGN WARS AUXILIARY DEPARTMENT OF WISCONSIN

S'MORE NEWS NO.6 (MUST BE READ AT MEETING)

December 2025/January 2026

REMINDER: General orders **MUST** be read and chairmen's bulletins summarized at each meeting.

MEMBERSHIP: As I write this bulletin, our membership stands at 95.86% paid and 94.65% current (including deceased members). We are in 1st place in the Big Ten and 4th nationally! This is fantastic! Please keep sending in your dues so we remain eligible for monetary awards. You are doing a **GREAT** job with **27 Auxiliaries being 100% or higher** in membership. Many are so close to being 100%. We can make this year's **GOAL of 101%**. As we aim to achieve a membership goal of 101% by fostering creativity in our approaches. We encourage everyone to share their innovative strategies and experiences in recruitment, as collaboration can enhance our overall effectiveness.

FALL COUNCIL: We extend our gratitude to all who participated in the Fall Conference. The event was marked by insightful questions and engaging discussions. We eagerly anticipate the presentation of the 26 Auxiliaries that will showcase their poppy displays with the anniversary poppies at the upcoming Mid-Winter event. We had some great training from National Representatives Sandra Uzell and Libby Deall Tezza on Membership Growth Initiative.

SPRING TRAINING: There will be Secretary training in February via Zoom. Please keep a watch for dates and times. We will be doing this by districts, like we did for the treasurer and trustee training.

ANY OFFICERS WHO HAVE NOT PAID THEIR DUES will be removed from office after December 31, 2025. Currently, I have a limited number of Presidents, Secretaries, and Treasurers on my list. You have already been contacted, so please ensure your dues are processed promptly.

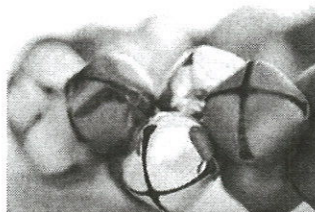

CAMPFIRE FOR COURAGE: You have done an excellent job supporting the veteran and spouse retreats for PTSD at Highground. Your efforts are greatly appreciated, and I encourage you to continue this vital work. If you're interested in exploring more ways to raise funds and awareness for this initiative, please reach out to me. Many individuals have expressed that this program is very meaningful to them, as it is to Ty and me. We still have some way to go to meet our departmental goal, but I am confident we will succeed together. For updates, visit our Facebook page.

MID-WINTER CONFERENCE is scheduled for February 6-7, 2025, at The Hilton Paper Valley, Appleton. The registration form is available on the first page of our auxiliary website (vfwauxwi.org) and is included with this mailing. Rooms are \$129 per night, and **registration is due by January 23rd, 2026**.

IMPORTANT NOTICE: **Credentials will be completed at Mid-Winter**. The required quorum is 40 (40%) auxiliaries present. Please plan accordingly with your delegation. The delegation forms sent last June for the convention remain valid.

SPECIAL EVENTS: If you want a Department Officer to attend an event, fill out the request form on our website. We will do our best to accommodate your wishes.

I wish you all a very Merry Christmas and a healthy, happy New Year! Reach out to those you love and create lifelong memories. My sincere appreciation for all you do for our veterans and families.

Veterans and Family Support

December/January 2025

Government Shutdown Information

During this partial government shutdown, federal facilities will be closed to claimants seeking accredited VA claims assistance. Thankfully, VFW Accredited Service Officers should have the ability to still assist veterans from any reliable internet connection. Please email your accredited service officer directly via the information provided in the "Find a Service Officer" tab below. If you are a separating service member, contact us directly at BDD@vfw.org. If you cannot contact your accredited representative, but still need assistance, please contact the VFW Member Service Center at 1.833.VFW.VETS (1.833.839.8387).

Student Veteran Support

Today's veterans can face any number of obstacles while furthering their education. Taking advantage of all the benefits you've earned and DESERVE shouldn't be one of them! This is why we have teamed up with Student Veterans of America and Sport Clips Haircuts to provide the assistance you need.

Scholarships

The VFW's "Sport Clips Help A Hero Scholarship" provides service members and veterans with the financial assistance they need to complete their educational goals without incurring excessive student loan debt. It's just another way for us to say "thank you" to those who fought for our freedoms.

- Awarded scholarships are limited to one per family per semester.
- Applications for the fall semester will be accepted Jan. 1 through April 30.

If you have questions please [view our FAQ](#) or [email us](#) with additional questions.

Student Veteran Support Grant

The VFW recognizes that both funding and support for our student veterans and dependents at institutions of higher learning, can often be difficult to find. The **VFW's Student Veteran Support Grant** offers much needed assistance to support specific student veteran events. The grant, administered by the VFW Washington Office, focuses on

supporting the overall student veteran population within the community, which consists of many student veterans at campuses across the country that are not affiliated with an SVA chapter. The grants will be disbursed to a VFW Post or Department that has submitted an application, to support the student veterans at the university or college.

Grant Eligibility:

- Applicants must be VFW members associated with an appropriate entity of the VFW (VFW Post, District, Department, or National).
- Appropriate VFW Post, District, Department, or National leadership serve as the convening authority on the grant request and is responsible for receiving funds.
- Funds must be utilized for events and outreach designed to assist and support veterans currently enrolled in institutions of higher learning.
- Grants may be awarded up to \$500 to support each event, and grants can be awarded to a VFW entity twice each fiscal year, totaling up to \$1,000.

VFW-SVA Legislative Fellowship

We have been advocating on behalf of veterans, service members and their families for more than a century, and we want to share our experience with a new generation of veteran leaders. The **VFW-SVA Legislative Fellowship** grants exemplary student veterans (Fellows) the chance to join the VFW legislative team on Capitol Hill during the VFW Legislative Conference hosted in early spring each year. The Fellows will walk the halls of Congress, educating their legislators on the issues facing today's student veterans and have the opportunity to meet with policy-makers from federal agencies responsible for implementing veterans' policy.

If you have not already, please share this website, there is so much information that could help a veteran/your veteran. Knowledge is key and sharing is caring. You can apply to everything listed here on the site.

VFW Wisconsin National Home

est 1937

December 25/January 26 Bulletin

The 2025 VFW National Home Fall Bus Trip was a great Grease Trip!!!

The tour of the National Home community was great, and all were able to tour an open home this year. The newest home, number 43, has just opened and is sponsored by Missouri! Wisconsin has made a commitment to sponsor another home and is waiting to hear when the next build will start. VFW National home continues working towards the goal of 50 homes.

You are all next year's willing participants! You have early next year to get ready for the 2026 bus trip. Next year we will be hosting. That means we will be serving pizza, brats and hot dogs and serving drinks such as sodas, setting up the water cooler or maybe even some lemonade. We will need to pack some treat bags to give out to the kids, and plan for about 80. We can put some candy in and some non-candy goodies would also be welcomed. We will set up and run 6 games for the kids. People and prizes are needed for the game area. We will have the privilege of attending the yearly meeting prior to the games and food.

I hope that all who participated were able to see how vital this program is to our veterans and their families. Please share your experience with your units and your communities.

Please remember the National Home when completing your Buddy Poppy Distribution forms. The Home can also be supported through membership, Lifetime membership or purchasing a garden or tribute brick. See the wish list at the National Home site at VFWnationalhome.org.

As the holidays draw near remember to keep the staff and families in your prayers.

Louise Engness, Department National Home Chairman

Buddy Poppy

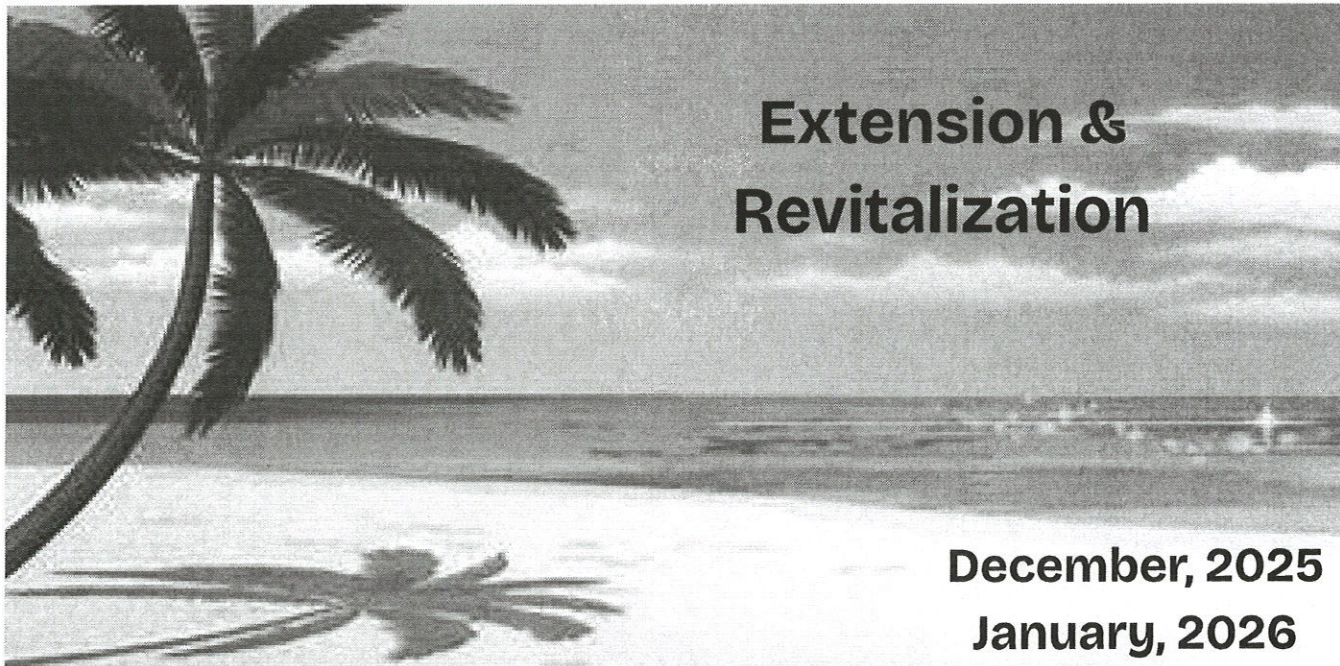

Louise Engness, Chairman

Extension & Revitalization

December, 2025

January, 2026

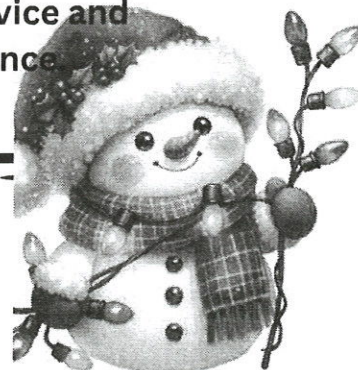

The Power of Mentoring in Our Auxiliaries

Mentoring is key to keeping our Auxiliary strong and active! When experienced members take the time to share their knowledge, offer guidance, and encourage new members, we build confidence and connection throughout our organization. Revitalization starts with each of us—welcoming fresh ideas while honoring our traditions. Together, through mentorship and teamwork, we can ensure the continued growth and success of our Auxiliary for years to come.

Happy Holidays!

As we celebrate this holiday season, let us take a moment to reflect on the blessings of friendship, service, and community that unite us as members of the VFW Auxiliary. We are grateful for each of you—our dedicated volunteers, veterans, and families—who give so much of your time and heart to support those who served and their loved ones. May your holidays be filled with peace, joy, and gratitude, and may the coming year bring renewed purpose as we continue our mission of service and remembrance.

MEMBERSHIP – DOES IT REALLY MATTER?

December 25/January 26 Bulletin

Membership affects us all; from the local Auxiliary all the way to the National level. Locally we are best in a position to know the needs of our Veterans and their families in our communities and what we can do to assist them. When we work in tandem with our Post, we are a force that is not easily dissuaded or defeated.

As we move up the organization it is about tensile strength (the maximum strength a “body” can withstand before it breaks). One person alone or even 5, 10, or 15 can be ignored or overwhelmed and therefore fail in the mission to “care for those who have borne the battle and their widows and orphans” ~ A. Lincoln. However, when we band together, we can accomplish phenomenal achievements. There is “tensile” strength in numbers!

The Veterans of Foreign Wars and Auxiliary are organizations that takes care of veterans and their family that need assistance not just financially, but we also take veterans for hospital visits, to the store, we build ramps, do some minor repairs on homes, and visit veterans who are shut in just to mention a few things. We support our communities as well as so much more.

The VFW leadership reaches out to congress making sure our Veterans never lose the benefits they were promised when they served our country. Additionally, we are committed to ensuring our young people understand our service and sacrifice and learn to be responsible Americans that will care for our country as we do.

A comrade said recently, “it was one of those moments that reminds you why bringing people together matters. Everyone in the room came with real experience, strong knowledge, and a unique way of looking at the same problems.... I’m grateful to sit with people who can challenge each other without losing the shared goal. When everyone brings something different to the table, the work gets better, the outcomes get clearer, and the mission becomes easier to move forward.”

For one hundred years the Wisconsin VFW Auxiliary has stood with the Post, the District, the Department and the National Organizations to provide for the relief of those who fought in defense of our country and those depending on them who may need our aid. Ours is a great work, lasting throughout life; for so long as there are Veterans, so long will our work continue. We have an obligation to continue this legacy that has been given us. To that end it is critical that we reach out to retain our current members, reinstate our lapsed members, and recruit new ones. Let's continue to grow our organization to ensure our voices are never silenced.”

National Scholarships – Dec 2025-Jan 2026 Bulletin

RELAX. By this time all the essays for Voice of Democracy and Patriots' Pen have been judged and students are waiting to hear if they are winners. We will be celebrating winners of the Voice of Democracy and Patriots' Pen at the Mid-Winter banquet on February 7, 2026. Attend and you will be able to meet the youth and hear their amazing essays. It is exciting for them and we can show our support by being there. (If you haven't donated to the program yet, please do so.)

Did you or are you recognizing the winners in your auxiliary? Invite them to your meeting to recite their essays and present them with a certificate.

The Continuing Education deadline is February 15th. My National Ambassador, Philip Reinpold has requested every auxiliary hold a fundraiser to increase the funds in the program to allow more money given to each conference winner. Also, did you donate to the National Presidents special project? Now is a good time to do it.

Enjoy the holidays "From Sea to Shining Sea Honoring Veterans Who Keep us Free" as "We Rise by Lifting Others".

YOUTH ACTIVITIES

December 2025 / January 2026

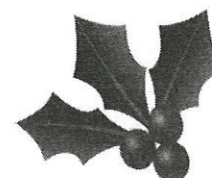

VFW Auxiliary – Department of Wisconsin

Patty Jansky, Chairman / pajansky@charter.net

PATRIOTISM THROUGH LITERACY

"A book is a gift you can open again and again." ~ Garrison Keillor

Christmas is right around the corner, and one of the greatest gifts we can give our children are books and the love of reading. Reading improves writing and grammar skills, promotes better concentration, stretches the imagination, and helps boys and girls understand and share the feelings of others. During this holiday season, let's focus on a special Youth Activities Program – **Patriotism Through Literacy**.

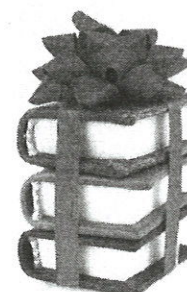

Patriotic books introduce youth to our nation's history and the key figures who built our great country while also fostering a love of reading and a lifetime of learning. Where can you find patriotic books? One place to start is the updated **Patriotism through Literacy Recommended Reads List**. This list has great ideas, but you are not limited to these titles. Your Auxiliary can donate books to local libraries, schools, shelters, Boys and Girls Clubs, etc. Place a label inside each book that shows it is from your Auxiliary and is in honor of National President Lois Callahan. Both the suggested book list and the labels (sporting a brand new look this year!) can be found on our Wisconsin Auxiliary website or on MALTA Member Resources under Youth Activities.

All Booked for Christmas

Besides donating books, your Auxiliary members could volunteer to read patriotic stories to kids, help out in a classroom or library, host a read-a-thon, run a workshop for aspiring young authors, or invite an author of historical books to do a book talk or signing.

READING BUDDIES

As I mentioned above, our Auxiliaries can play a major role in promoting reading among our youth. Hmmm . . . where else have we heard that before? Of course, in our new **Be a "Reading Buddy"** Program this year. **Patriotism Through Literacy** goes hand in hand with our **Reading Buddy** initiative. This Christmas season is a perfect time to share the gift of books – both patriotic and otherwise – with our kids. **Merry Christmas!**
