VETERANS OF FOREIGN WARS AUXILIARY  
Veterans & Family Support  
July 2023

Veterans & Family Support is the heart of our organization and a program that every member can and should participate in. Our veterans sacrificed so much for us and it's time that we do all we can for them.

As Tessa Butcher, our National Ambassador states, "We are all musicians in a great human orchestra." Not any one of us can be a solo act. We must work together for the common good. What is that?? That is our Veteran and the family that supports them, both in and out of their military service.

National President Carla Martinez' theme of "**Banding Together for Our Veterans**" will offer guidance for support programs, VA Benefits, higher education opportunities, Mental Health Awareness and Suicide Prevention.

The Military Assistance Program or MAP, Unmet Needs & VFW "SportClips Help a Hero Scholarship" are part of Veterans & Military Support.

MAP helps local VFW & Auxiliary members forge & Nurture bonds with local military units by providing financial assistance to sponsor morale-boosting send-offs, homecomings & casual get-togethers. And to help Post & Auxiliaries participate in Adopt-s-Unit and Family Readiness Group events.

The Unmet Needs program gives grants up to \$1500 payable to the creditor to help bridge the gap to make a mortgage or rent payment or to fund home and auto repairs, insurance, utility cost, food and clothing. While the soldier is away, the family can get help through this program.

The VFW "Sport Chips Help a Hero Scholarship" awards scholarships up to \$5000 to qualifying veterans & servicemembers to help them complete their educational goal without incurring excessive student loan debt.

The VFW's National Veterans Service (NVS) helps veterans, servicemembers & their families obtain the benefits they deserve—at no cost. They are assisted by qualified personnel in filing claims for: Disability Compensation, Rehabilitation & Educational Programs, Pension & Death Benefits, Employment & Training Programs, Hospital & Outpatient Care, Specialized Health Care for Female Veterans & Alcohol & Drug Dependency Treatment.

Mental Health Awareness & Suicide Prevention is an area we see and hear about all around us, but we still don't know how to address it. This year we will become more aware of the resources available and what signs to look for as we travel amongst our Veterans and their family. The most recent statistics show that

more than 16 Veterans every day commit suicide. Sisters & brothers in a years' time, that is over 5000 veterans we lose to this horrible activity. What are the five signs of mental health? (1) Are you feeling like you? (2) Are you feeling agitated? (3) Are you withdrawn? (4) Are you caring for yourself? (5) Do you feel hopeless? More of this information will be on the Auxiliary website soon. However, if you or someone you know is in need now, you can call the **VETERANS CRISIS LINE by Dialing 988 Press 1**. You will reach a Crisis Professional for a confidential conversation.

Let's be part of the orchestra by **"Banding Together for Our Veterans"** and **"Bee The Change."**

## VETERANS OF FOREIGN WARS AUXILIARY

### July 2023 General Orders Chair Report

Hello brothers and sisters! This message comes to you with wishes for a safe and fun summer, making memories to last a lifetime. I want to give you a little info in case you do not know me. I'm very proud to be your 2023-2024 Department of WI Americanism Chair/Patriotic Instructor and looking forward to my first national program. This has always been my favorite of the VFWA programs, and I truly enjoyed presenting the POW/MIA Remembrance Ceremony as the District 8 Americanism Chair long ago.

In 1987 my mother Theresa, sisters Karen, Linda and I became charter members of Heart of the Valley Auxiliary 10544 under daddy's eligibility. Harry H. Lamers was a very proud WWII Army Air Corps veteran and charter member of Post 10544. Between parades, fireworks, and attending the VFW and American Legion picnics we did it all and he instilled a passion for patriotism in us right from the start. What a way to grow up! Daddy taught us that being a part of something great is fulfilling and his pride trickled down to us so we "bleed red, white and blue". We are proud to carry on his legacy.

### FIND INFORMATION

- **In monthly emails** you will receive from me & in reports sent with general orders

Each month I will give information to make filling out End of Year Reports easier and so your Auxiliary can be successful. Let's get President Sherrie in the National Circle of Excellence by working hard for our Veterans.

It is an exciting time to BEE a part of the change in our organization. With kindness and respect, we can carry on the traditions while coming up with new ways to get the job done. Please send me pictures (email, text or snail mail) of all you do in the way of Americanism. You will make my reports better and I'll be happy to share your work with the Department.

# Hospital July 2023

Hi, everyone, my name is Karen” nursefrazzle” Johnson and I will be your Hospital Chairman for the 2023-2024 year. Our National Hospital Ambassador Della Steege would like us to promote Community Care/Telehealth/Compassionate, Non-Traditional Holidays, Recognizing Staff members, Women’s Health care service and volunteerism.

The Auxiliary Hospital Program is essential to veterans and is equally rewarding to the volunteers who dedicate their time and efforts to this Program. After 100-plus years of hospital volunteering for our veterans, the pandemic has altered our Hospital Program in many ways, yet the goal is still the same. We must find new processes and get creative to complete the work. Our new normal in volunteering may never resemble the way we used to do it, but the need is still there. Now that the VA facility, hospitals, veterans’ homes, nursing homes, other medical facilities are opening their doors again, this is the time we will need more volunteers. We lost a lot of volunteers in the Covid epidemic and a lot of them are not coming back. So please think about giving time to a veteran. Volunteers can be: VFWA members, non-members, or youth.

**Community Care** for veterans is so you as an Auxiliary can help veterans find their way into the VA health care system. **Telehealth clinical video** for veterans that live long distance to VA. **Compassionate** contact is trained volunteer who are matched with veteran who are experiencing loneliness or socially isolated. **Women’s health care** need and want health care they can count on. These things are important to our veterans. Please help. Do not forget the veteran.
