

**VETERANS OF FOREIGN WARS AUXILIARY
DEPARTMENT OF WISCONSIN**

OUR MISSION IS VETERANS AND FAMILY FIRST!

GENERAL ORDERS NO.5 (MUST BE READ AT MEETING)

November 2025

1. **REMINDER:** General orders and chairmen's bulletins need to be read at each meeting. Please remember to summarize your chairman's reports to the key points. You can share with the membership the full report.
2. **MEMBERSHIP:** As I am writing this bulletin, we are at 93% in Membership!! This is awesome!! Remember, our goal this year is 101% and I know WE can accomplish this. If you need assistance with recruiting events or ideas, reach out to Charlene Cobb, membership chair.
3. **CAMPFIRE FOR COURAGE:** We have currently reached 41 out of our goal of 100 veterans and families, leaving us with 59 more to support. I am confident that we can accomplish this mission to assist our veterans and their families. Each participant requires \$500 to attend the retreats and begin their journey of rebuilding. I urge you to consider reaching out to local businesses for donations, auxiliaries donating even if you already have, contributing yourself, or organizing a fundraiser. Together, we can make a significant impact on the lives of those we serve, providing them with the opportunity to rebuild and thrive.
4. **AUDITS:** Make sure you get your audits into our Department Treasurer. If you're having problems with it, ask her or your District President for help.
5. **TREASURERS:** Have all of the requested donations been made? Please check the list on our website – vfwauxwi.org under treasurer and send the donations to the proper place.
6. **MID-WINTER CONFERENCE** will be held at the Hilton Paper Valley, Appleton, on February 6 and 7, 2025. All members are encouraged to attend this Conference. November Bulletin 2025 www.vfwauxwi.org

Did you know about Uniting for Veterans?

Originally established in 2018 as the Uniting to Combat Hunger program, the VFW and our friends at Humana® created Uniting for Veterans to actively address food insecurity across America with an emphasis on the military community. And we're not stopping there as we have now added a veteran homelessness component and will continue to do all we can to improve quality of life for America's heroes and their families. Uniting to Combat Hunger - VFW

Together with Humana®, the VFW's **Uniting for Veterans** program, formerly known as *Uniting to Combat Hunger & Homelessness*, was established to address the diverse and evolving needs of the military and veteran communities. From fighting food insecurity and homelessness, to providing resources to help improve quality of life for all service members and veterans, the Uniting for Veterans program is our united commitment to doing all we can for America's heroes and their families who have sacrificed so much for our country.

According to the U.S. Department of Housing and Urban Development (HUD), data shows that on a single night in January 2024, 32,882 veterans experienced homelessness in America — a record low in veteran homelessness since measurement began in 2009. The data also show a 7.5% decrease in Veteran homelessness since 2023, an 11.7% decrease since 2020, and a 55.6% decrease since 2010, but all of this comes at a time when overall homelessness in America is at an all-time high.

In 2025 alone, Uniting for Veterans raised more than 800,000 meals and 325 nights of housing for homeless veterans. To date, the VFW and Humana® have provided more than 6.4 million meals over the past eight years for food insecure families.

VFW Wisconsin National Home, est 1937

Great things are happening at the National Home. The National home's goal is to increase to 50 homes. WI VFW has made a commitment to sponsor another home! This is a worthy project to support our service men and women and their families.

When you go on the fall trip you find out first hand how precious this treasure is to the families that come to live here for the next four years of their lives.

Since it is the end of the year, please consider supporting the National Home. Your support can be thru membership, Lifetime membership or purchasing a garden or tribute brick. There is a wish list posted on the National Home site, VFWnationalhome.org.

Extention & Revitalization

November, 2025

Lack of members attending your meetings?

Do your members see no reason to come or do not feel needed or involved at your meetings?

Increase involvement by asking members to attend. During an Auxiliary function is the perfect opportunity to ask a member to participate or provide them with a "job."

It feels good to be needed. Mentor a new member – offer to pick them up for a meeting or an event. Your personal contact will make a difference. An Auxiliary newsletter or email are other communication tools to request volunteers. Each member has their own special talents; encourage and utilize their contributions.

Words of Encouragement

As we stand together in service, I'm reminded that our mission is not just a responsibility—it's a calling. Each of us carries the torch of honor, remembrance, and unwavering support for our veterans, their families, and our communities. We don't serve for recognition; we serve because it matters. Because freedom isn't free—and because someone must always stand watch over those who stood for us.

In every meeting, fundraiser, care package, and moment of outreach, we are building a legacy of compassion, patriotism, and purpose. Let us move forward this year with renewed energy, deeper commitment, and hearts wide open to the possibilities ahead.

Let's lift each other, lead with kindness, and remind every veteran we meet that they are never forgotten. Together, we are stronger.

Together, we are the VFW Auxiliary of Wisconsin.

We Rise By Lifting Others

**Department of Wisconsin
Hospital Chairmanship
November 2025**

Who Me? Do you think you could become a VA Representative for our Veterans?
Here are the descriptions for the different Volunteers for the Hospitals and Nursing Homes.

Regularly Scheduled (RS) Volunteers: Regularly scheduled volunteers are VFW Auxiliary members who participate in the VAVS Program on a regularly scheduled assignment under VA supervision. Frequency of participation is determined by the local VA medical facility. They are officially authorized to serve when they have:

- A. Completed and signed the VFW Auxiliary's "VAVS Volunteer Forum"
- B. Been certified by the Auxiliary Certifying Official
- C. Been approved for assignment by the Voluntary Service Program Manager Designee
- D. Participated in required screenings, background checks, fingerprinting, Interviews, orientations and training required by the VA facility
- E. Completed a trial period as established by the VA facility

Occasional Volunteers: Occasional volunteers are individuals serving under the VAVS Program who do not meet the requirements of Regular Scheduled volunteers. These individuals frequently volunteer with a group or organization on an occasional basis.

Student Volunteer: Student volunteers are under the age of 18 and must have written parental or guardian approval to participate in the VAVS Program. They must also have Written authorization for diagnostic and emergency treatment if injured while volunteering. The minimum age for volunteers is determined by the facility management.

Sponsored Volunteers: Sponsored volunteers are non-members of the VFW Auxiliary who wish to serve under VFW Auxiliary sponsorship and supervision as volunteers at VA and non-VA facilities or in VA community-based programs. They must be interviewed and screened in the same manner as VFW Auxiliary members. Upon acceptance, sponsored volunteers are governed by the same ethics and rules prescribed by members.

What does a Volunteer do? Assignments will vary depending on the needs of the facility per the Voluntary Service Program Manager. Some Traditional Assignments are Patient escort, volunteer driver (shuttles), clerical, information desk, guest relations, patient meal assistance and many more positions that have been open to our volunteers for years. Non-traditional assignments are: Writing letters, respite/hospice volunteers, female-specific clinics requiring female volunteer assistance. Volunteering in outpatient clinics, rehabilitation and treatment centers and virtual volunteering with homebound veterans.

Won't you think about becoming a Volunteer???????

If you have any questions about becoming a volunteer, please contact me or one of the representatives that are volunteering in our hospitals or Nursing Homes. Please help us out.

Laurie Coffin, Hospital Chairman, laurie2bk@gmail.com

NOVEMBER 2025 - LEGISLATIVE

Here's **Congressional Bill** running through the halls of Congress, hoping to become a **LAW**. This is the path Bill must take to succeed:

1. Be proposed by a member of Congress.
2. Go before committee for discussion and revision.
3. Voted on by one chamber (House or Senate).
4. If passed, go to the other chamber.
5. If passed by 2nd chamber, go back to the 1st to be voted on again with any edits.
6. If both chambers vote to pass, go to the White House to see the president.
7. If the president signs, Bill becomes Law. If president vetoes (does not sign), then its back to Congress which can vote to override the veto, then Bill becomes Law.
8. If Congress does not override the veto, then Bill is finished.

Want to help Congressional Bill? Check Action Corp to see if Bill is VFW-supported. Send an email to your congressional representatives to urge them to support Bill.

Once Congressional Bill becomes a **LAW**, remember to **GIVE THANKS** to your representatives for their support of our veterans.

Send a follow-up email (or note) – your legislative chair can provide you with the text you can use.

Planning is underway for the inaugural **VFW Department of Wisconsin Auxiliary Legislation Day: On the Homefront**. This dialogue between federal legislators and families of combat veterans living in Wisconsin will focus on VFW Legislative Priorities and is tentatively scheduled for the end of March 2026. Look for more information on how you can voice your support and your concerns directly to your representatives.

Despite government shutdowns and delays, our veterans need our support.

Best Wishes for a peaceful, healthy Thanksgiving and Indigenous Peoples' Day.

VFW A Department of Wisconsin Membership

November 2025

Chairman Charlene K. Cobb

Caring for Heroes Yesterday Today Tomorrow

We are one third of the way through our cruise. What treasures have you found? What other places can you look? Let's search a little deeper and find those hidden gems! After all, we are the oldest Veterans' Service Organization Auxiliary. For more than 100 years, we have been serving Veterans, Service Members, and their families in countless ways. Millions of hours, millions of dollars and millions of tributes.

THIS IS JUST WHO WE ARE!!!

This month concentrate on making sure your current members are engaged. A key to retaining membership is to match interest and talents with the programs and projects we are doing. Let's also look at our rosters and contact members that have allowed their membership to lapse. Reach out to them; do they need assistance that we can provide? Do they feel valued and welcome as a member of our Auxiliaries? Those GEMS are there for the us to find and to keep!

YOUTH ACTIVITIES

November 2025

VFW Auxiliary – Department of Wisconsin
Patty Jansky, Chairman / pajansky@charter.net

RECOGNIZING YOUTH

Recognizing our youth for their achievements will encourage them to keep giving back to our veterans and community. Show our boys and girls that you see them by presenting:

- **Random Act of Patriotism (R.A.P.) cards – four new designs this year!**
- **Youth Acts of Kindness Certificates – brand new this year!**
- **Individual Patriotic Youth Awards**
- **Youth Groups Supporting Our Veterans Citations**

All of these awards can be found on MALTA Member Resources or on our Wisconsin VFW Auxiliary website under the Youth Activities Program. You can print them out yourselves!

YOUTH ACTS OF KINDNESS CERTIFICATES

Although all of our Youth Activities awards are special, this month I'm going to concentrate on the **Youth Acts Of Kindness Certificates**. This is a new incentive introduced this year by our National Youth Activities Ambassador Shannon Stanley. This certificate would go to boys and girls caught in an act of kindness. We can show our youth that their good deeds do not go unnoticed. Reach out to schools or youth group leaders and let them know that you are looking for students who go out of their way to be kind and helpful. Each child is precious, and we can help them see that their kindness does matter.

**Kindness
Matters.**
