2024-25 GENERAL ORDERS

"HONORING VETERANS TOGETHER"

February 2025

MUST BE READ AT MEETING

Volume 3 - Issue 7

GENERAL Orders and Program Bulletins can be found on the Department Website at:
<https://vfwauxwi.org> Look under the News tab and click on General Orders.

As we look forward to our Mid-Winter Convention on February 14 & 15, 2025, where we will hopefully open our hearts and minds to new ideas, learning more about Veteran Services, and find a new way to do your Year End Reports.

DID YOU KNOW: It is time to start looking at where you would like to see your Auxiliary be next year. Nominations and elections will soon be upon us, and I would really like us all to think about what we can do to keep our auxiliaries strong and moving in the right direction.

Have you ever considered taking an office within your auxiliary? Or have you always said it's not the right time, I don't have the time right now, or I might when I retire? We are losing auxiliaries faster than we can get another up and starting. Unfortunately, that is a fact that our Veterans and current services members can't afford us to do. They need our voice, support and backing like never before. Most of the offices within your auxiliary don't take a lot of time or energy. The ones that are the most time-consuming is your Treasurer and Secretary. Duties can be found in your Podium Book although some are quite general. If you would like more information on each office don't be afraid to reach out to someone who has done it before you, or one of your district line officers.

IMPORTANT: Now, if you are in the position where you think no one is going to step up and take an office in your Auxiliary for the coming year, we need to know now so we can help. If at all possible, we want to save your auxiliary and not close it down. Please, please reach out to us.

MEMBERSHIP – We currently sit at 98% paid membership and 96.58% in actual membership. We are 268 members shy of becoming 100%. Please continue to recruit, recruit and recruit.

HELP NEEDED: By now, all auxiliaries should have made most of their donations for the year. If you feel good about what you have done so far and still feel you can give, please remember we have had a lot of recent disasters around the country who would love your support. Please go through the appropriate VFW channels should you choose to support any area. They are better equipped to ensure it gets to the appropriate place and people.

Let's keep looking forward, remembering those who need our support, prayers, and healing thoughts.

Cordially,
Cheryl L. Woodards
Department of Wisconsin President

Soldier's Angels send Valentine's for Veterans every year to Service Members and Veterans. The cost to distribute these cards is so high. Soldier's Angels are not able to provide enough funding to get these cards to our Military and Veteran heroes.

How can you help?

- All you need to do is include \$1 per Valentine you send! This will help them cover the cost of packing & mailing boxes of Valentine's Day cards to deployed troops overseas and VA Hospitals!
- **Mail your cards and \$1 per card to: Soldiers' Angels Valentines for Veterans 2895 NE Loop 410, Suite 107 San Antonio, Texas 78218**
- The deadline is February 14 **Cards can be store-bought or handmade *Individually wrapped candy can be included if it is attached to the card *Include \$1 per card, cash or check *You can include an envelope if you want, but not necessary *If you include an envelope, *do not seal * you are welcome to include your return address in the event the recipient may write back to you. *If you would like a donation receipt mailed to you, make sure to include your name and mailing address somewhere on or in the box, otherwise we will not know where it came from!*
- Check with your CVSCO in the area if there are veterans and their families, homeless vets, women vets, who may be in need of supplies, clothing, food, diapers. Offer to have a collection drive for Valentine's Day. Check with churches, police, etc., where homeless veterans are located, etc. See the following website on how to host a collection drive: <https://soldiersangels.org/volunteer/special-campaigns/valentinesforveterans/>

At the VFW Auxiliary, EVERY day is VETERANS DAY!

Going to mix things up a bit: If you read and retained messages from my earlier reports you will do juuust fine on this little quiz:

1. By passing our patriotism on to the next generations we instill (what) while honoring Patriots and our Country.
2. May 1 reaffirms our loyalty to the United States and recognizes the heritage of American freedom. What is the name of that patriotic holiday?
3. What have I asked you to do since July?
4. It is officially "school sport season" so be sure to sing (what) LOUD AND PROUD at all the games you attend!
5. Constitution Day and Citizenship Day is September 17. On this day in 1787 (what happened)?
6. Get out to (where) to educate; show your patriotism and how much you value your freedom by representing our great organization!

Please text email or snail mail your answers to me – we will have a drawing from all entries at our Dept Mid-Winter, February 14-15 in Oshkosh

Thank you for all you do for our veterans, and for promoting Americanism every day!

AWARDS PROGRAM-JEANNETTE FRANK

by Helen L Stearns, PDP, Awards Chairman
hlstearns1021@gmail.com 920-319-2621(please leave message)

Each year at the State Convention, the special recognition of a dedicated Auxiliary member takes place who has serviced the organization for at least 25 consecutive years. It is the Jeannette Frank Continuous Service Award. Jeannette served as Department President in 1965-1966 and as National President in 1980-1981. Her dedication exemplified her dedication to the Veterans, the Auxiliary and the community.

The nomination process that takes place in the final quarter of the Program Year is simple. Any member in good standing may nominate another outstanding Auxiliary member who they feel deserves this recognition. Nominees must have served for a minimum of 25 consecutive years. (NOTE: Past Department Presidents are NOT eligible as they receive a separate Continuous Service Award.)

Nominations for the 2024-2025 Jeannette Frank Continuous Service Award must be postmarked by April 10, 2025.

Information & nomination forms were in the October 2024 General Orders and are the last page of these February 2025 Auxiliary General Orders. It is also on the Department VFW Auxiliary website (<https://vfwauxwi.org>) under Programs/Awards; and by request.

EXTENSION & REVITALIZATION

by Linda Moran, Department Chief of Staff
Loopylin1950@gmail.com 920-337-9922 (H) 920-639-9987 (C)

Welcome to the second month of 2025---how time flies! We cannot let time get away from us as we work the Extension & Revitalization Program. There is no time like the present to mentor and renew our patriotic and enthusiastic spirit as members of the VFW Auxiliary. (Note from National COS— Betty Arnold)

Remember the change of Command if having problems.

Member—Auxiliary President—District President—Department President

What is not acceptable—calling or emailing multiple people with the same questions until you get an answer you think fits your interests best.

Recognize these yellow caution lights and **ACT** immediately. Don't wait until the last minute—just ask! **YELLOW CAUTION LIGHTS**

Audits not done timely-----No representation on District meetings---No change in officers—
No new members--- No Program reports.

Please remember that every one of our members has great ideas and we need to avoid saying that “WE tried that before and it didn't work” or “This is the way we have always done it.” New ideas or new twists can create fantastic results.

Please be the reason someone feels welcomed, loved, heard, seen, supported and accepted today and every day!

**If you need anything at all, please do not hesitate to reach out to me. I am here to help if I can.
God Bless and Happy Valentine's Day!!**

MEMBERSHIP

by Charlene Cobb, Membership Chairman
ckcand2k9@yahoo.com; 262-348-6547

We are each a vital piece of the puzzle. Your Auxiliary, our Department and National Organization couldn't function without your continued support. We are stronger together.

I watched a movie the other night where a student was talking about tensile strength. He had uncooked spaghetti noodles and was able to break one easily. However, when he bunched them together, he was able to support the weight of a child's truck on them. By ourselves we can get discouraged and feel there is nothing we can accomplish but when we work together, we can accomplish amazing things.

If we each just recruited one member we would double our membership. Last month we looked at recruiting family but don't forget about your next-door neighbor, the person that sits next to you in church, that works next to you, or that you meet as you are out and about. Just ASK – maybe they'll say no but they could also say YES – and you'll never know unless you ASK!

NATIONAL SCHOLARSHIPS

by Deanna Carothers, Chairman

600 Madison Ave., Fort Atkinson WI 53538, phone: 920-728-1176

e-mail: dhaugen53538@gmail.com

Hello! As I write this, it's mid-January and guess what is right around the corner?? Spring you say? Well, that may be the case in a few months.... BUT, I'm referring to the Young American Creative Patriotic Art Contests (YACPAC to shorten it up)!!Yes, it's that time of year already... and we need to get our butts in gear and get the word out about this scholarship program so the students have enough time to create those fantastic pieces of art! The deadline to turn an entry in is March 31st – so let's get the word out now. Talk about the program at your meetings, post about it on your social media pages, hand out the entry forms, tell your local art teachers about it, tell your friends with high school age kids.

Who's eligible to enter the YACPAC? Students in grades 9-12 enrolled in a public, private or parochial high school or home study program in the U.S.

What kind of art can be submitted? There are TWO contests: a 2-dimensional and a 3-dimensional contest. 2-D art can be on canvas or paper. Watercolor, pencil, pastel, charcoal, tempera, crayon, acrylic, pen, ink, oil, or marker.3-dimensional art can be made from paper, papier-mâché, pottery, clay, metal work, and/or fabric.

Are there rules about how big or small the art can be? Yes, for the 2-dimensional contest the artwork should be no smaller than 8" x 10" but no larger than 18" x 24", INCLUDING mat. Do not frame the art (other than a mat). For the 3-dimensional contest the artwork should be no larger than 18-inches in any direction, and no heavier than 5 lbs.

Is an essay required also? Not an "essay" per se, but an explanation of the art is part of the submittal. Students should submit a typed explanation of the patriotism expressed in their art (250 words or less) along with the entry.

Where can I get the entry form? Here's a link to the National VFW Auxiliary website page that includes links to the entry forms: <https://vfwauxiliary.org/scholarships/young-american-creative-patriotic-art-contest/> and lots of other cool stuff about this fun program!

What are the deadlines?

March 31st – deadline for the students to have the artwork turned into your Auxiliary

April 15th – deadline to have your 1st place winning artwork sent to myself (address below) for State level judging. Students will get the artwork back after our June Convention. The first-place entry will be forwarded on to National to compete against other state entries from around the nation. Exciting!

What can the students win? There are monetary awards at the State level and National level, and your Auxiliary may want to award your top entries as well! Feel free to browse the website page listed above for more info on awards and photos of past entries. Let's get those creative juices flowing WI! 😊

YOUTH ACTIVITIES

by Patty Jansky, Chairperson
pajansky@charter.net

“January is for dreamers . . . February is for doers.”

– Marc Parent

“ While February is our shortest month, it can also be one of our busiest months. The midway point of our Auxiliary Program Year also marks the midway point of the school year. School supplies that were donated in August are now depleted; perhaps your Auxiliary would like to provide more items to help the students finish the year without a hitch! To get through our cold Wisconsin winters, kids may need coats, hats, gloves, mittens and boots. Have you checked with your local schools to see if they need help in the library, classroom or with special projects? How about purchasing patriotic books for youth groups or libraries? Valentine’s Day is coming up – veterans love to receive creative cards made by boys and girls. There is still plenty of time and ways to get involved with youth!

Patriotic artwork and applications for the Illustrating America contest are due to your local Auxiliary on March 31st and then to me by April 15th for Department judging. You can send in your Auxiliary’s first-place winner in each grade division (K-2, 3-5, and 6-8). Be sure to use the new updated entry form (revised September 2024). It includes new rules like printing the child’s name, age, and grade level on the back of their art.

The 2024-2025 Youth Activities National Program Awards go to the most outstanding activity and/or event of youth reading to veterans and/or veterans reading to youth. What a great way to get our veterans and kids together! A copy of the entry form was included in the December/January General Orders. This Auxiliary Award application is due to me by March 31st. Thank you!

Journey to 100 Years

February 2025 Question

What project did the VFW and Auxiliary do jointly into the 1990’s that they don’t do anymore?

Send your answer NOT LATER THAN February 28, 2025.

To: Rita Byers at rabyers66@gmail.com for a chance to win the \$25.00 monthly cash prize.

No entries will be accepted after the deadline. All entries with correct, complete answer will be put into the drawing for the month. This month will be drawn at the Council of Administration meeting at the Mid-Winter Conference.
