

VETERANS OF FOREIGN WARS AUXILIARY
HOSPITAL REPORT
November 2023
Karen Johnson Hospital Chairman

EMERGENCY!

The Hospital Program and Hospital Project donations are down we need you to donate to these programs. The Department needs your donations to help our Hospital Representatives and Deputies have events in their hospitals. They have events all year round such VA Camp in Tomah, bingo, picnics, Octoberfest. This is very important. Tomah, Zablocki, Madison, King, Union Grove, Chippewa, Iron Mountain all have events, and we must support them. Their Representative gets the money out of the Budget in the Department Hospital Projects and programs. So, there is a need to keep our hospital donations up. If we don't have money, we can't have these events. Hospitals are opening and more events are happening, so that means your donations are needed.

Please send your checks made out to VFWA-WI to Dept. Treasurer Lenore Otto and earmark them Hospital projects and hospital programs.

Thanks so much to the veterans they do enjoy our events.
