

VETERANS OF FOREIGN WARS AUXILIARY
Hospital
September, 2025

As you are reading this, we are already a couple months into our New Year! If you are already a Volunteer at a VA Health Facility, or Nursing Home – Thank you so much!

If you would like to be a Volunteer at a Facility – the opportunity is there – whether you want to be a regular or occasional Volunteer – it will be appreciated!

We have Representatives and Deputy Representatives plus many volunteers at 6 of our Facilities. We are looking for Representatives for Union Grove and Minneapolis and living nearby would be an advantage! If you don't live nearby, there are CBOCs (Community Based Outpatient Clinics) and currently help is being accepted at La Crosse, Wausau and Wisconsin Rapids. Each facility plans activities for their veteran residents and they need help for all kinds of things... Escort patients to church, appointments or recreational activities, etc.

If you would like to be a volunteer, please let me know or the Volunteer Representative at the VA you would like to volunteer at.

Students under 18 can also Volunteer with parental permission.
