

Department Of Wisconsin S'more News
Hospital Report
May 2026

This year is quickly disappearing. Thank you to all Auxiliaries that turned in their end of the year reports to me and a special thank you to all of the many volunteers and the hours that you volunteered throughout the year!

I know that I have said it each time I gave you a bulletin, but volunteers are needed and that means "YOU". Please consider the joy you give at a VA Hospital or Nursing Home while helping to take them to their appointments, playing bingo or just sitting with them, writing letters for them, taking them for walks (strolls with wheelchairs). I know there isn't a hospital or nursing home in or near every town, but as an individual or combined as an auxiliary there are sewing opportunities (making bibs, wheelchair blankets, blankets for their beds, fidget boards (for those with dementia or dexterity problems). There are many opportunities available. Just ask a hospital volunteer that you know.

I hope to see many of you at the Department Convention in June and would like to answer any questions you may have.

Thank you again to all the VAVS Representatives at each of the facilities and all of the volunteers.

Hospital Chairman
