

2026–2027 VFW Auxiliary Membership

“All Aboard: Every Member, Every Stop, Every Opportunity”

July 2026

Hello Riders! The Membership Train has officially left, and July is all about building your passenger list. This is the month to set the tone, set the pace, and set your goals high.

The **Membership Train** represents who we are: a strong, steady, mission-driven organization built on movement, momentum, and connection. Every member is a passenger with a role to play. Every Auxiliary is a station where people are welcomed, supported, and encouraged to stay involved. And every stop along the way offers new opportunities to grow, reconnect, and strengthen our ability to serve veterans and their families.

Let’s Load This Train With Members!

Membership Actions for July

- ❖ **Invite at least one new member — start strong**
- ❖ **Hold a “Bring a Friend” or “Meet the Auxiliary” event**
- ❖ **Share the Membership Train story everywhere (FB, newsletters, meetings)**
- ❖ **Identify 2–3 members who can help with outreach**
- ❖ **Make sure your officers know your membership goals**

This is your launch month — let’s fill those seats!

The tracks ahead are clear. The engine is running. Wisconsin is ready to move forward together — one stop, one member, one opportunity at a time.
