

**Veterans of Foreign Wars
Department of Wisconsin
April Membership Bulletin**

YOU ARE AWESOME

A friend the other day showed me a tumbler similar to the one above. At times we all need validation that what we are doing matters and is appreciated. IT DOES AND YOU DO! Just like George Bailey (It's A Wonderful Life) discovered our Veterans, their families and our communities would be totally different without us there. We make a difference every day.

The VFW Auxiliary is an essential component of the organization and vital in us being able to fulfill our mission – No One Does More for Veterans and Unwavering Support for Uncommon Heroes. We need to:

RECRUIT – REINSTATE – RETAIN

our members to stay healthy. As I write this, we only need 91 more members to be 100% in current members, though we are already 101% in paid members.

Hopefully we'll get a real spring instead of the "teasers" we've been having and we can get out to check up on our members that they have what they need and bring in those new and reinstated to help fulfill our mission. Give it your all in the next two months, remember you're awesome and our Veterans and their families need us!

Sr. Vice President Charlene Cobb

Membership Chair
