

MENTORING FOR LEADERSHIP

VFW AUXILIARY DEPARTMENT OF WISCONSIN

SEPTEMBER 2023

PROFESSOR Beethoven

The educated, good-natured bee who knows everything. Although brainy, he never puffs on airs and has friends all over the world.

We all celebrated the success stories from our Department Program winners from National Convention in Phoenix and are very proud of the winners.

Now is the time to set our goals in the Mentoring for Leadership Program for the 2023-2024 Auxiliary year. Each and every member has the ability to carry the mentoring torch. But you need a few of these tools to help you become successful this year:

Patience

Understanding

Kindness

Knowledge of your Auxiliary

Knowledge of our Bylaws

Auxiliary Traditions

Each Auxiliary Member can and should, Mentor other Auxiliary Members! Let us work together in making a difference in each other's lives through Mentoring this year. That being said, let's make this a year to remember for our President Sherrie!

GOD BLESS AND HAVE A GREAT YEAR AS WE **"BEE THE CHANGE "**, while **"BANDING TOGETHER FOR VETERANS."**
