Department of Wisconsin
February S'more News
Ways and Means**

Hello Sisters and Brothers,

By the time you read this Department Mid-Winter will be over, so I would like to start by thanking those who joined us at the Paint and Sip event. I hope all had a great time.

We will also be finished with our Mobility Scooter raffle. Now for the bad news, as we did not have great success with the Mobility Scooter raffle, we need to do more fundraising. We are working on the details, and it will be or has been announced (depending on when your meeting is) during the Department Mid-Winter. Please help support our great organization by promoting the new raffle.

Keep working on the fundraising initiative, known as "Fill the Boot." This should be actively promoted within your community to support the Ways and Means program. By doing so, you not only contribute to the department Auxiliary's efforts but also enhance the visibility of your Auxiliary within your community.

- ❖ This boot is to be put out into the community to help you raise funds.
- ❖ You can set it out at a business or rotate locations throughout your community or do a day of collecting in the community.
- ❖ This will help get you out in your community and help promote your auxiliary.
- ❖ Provide your auxiliary contact information with the boot.

If you have any ideas or suggestions, please reach out to our team as we are always looking for new great ways to raise funds. This is the year or thinking outside the box and finding new ways to help our organization.

**THANK YOU FOR ALL YOU DO FOR OUR VETERANS AND THIS
ORGANIZATION**
