CREATING, SPONSORING AND WORKING WITH YOUTH GROUPS

Let's get our kids involved! Your Auxiliary can sponsor a youth group and engage boys and girls in any one of our Programs, including activities to honor our veterans or assist our service members and their families. Inviting youth to recognize our veterans and help with patriotic projects offers a vital source of community involvement for them. These activities can even bring new membership to your Auxiliary. When youth and their whole family are included, they feel more connected to the Auxiliary. Our youth are important – let's work together with them to show our love and support for our veterans, community and country!

Where do we find these youth groups?
